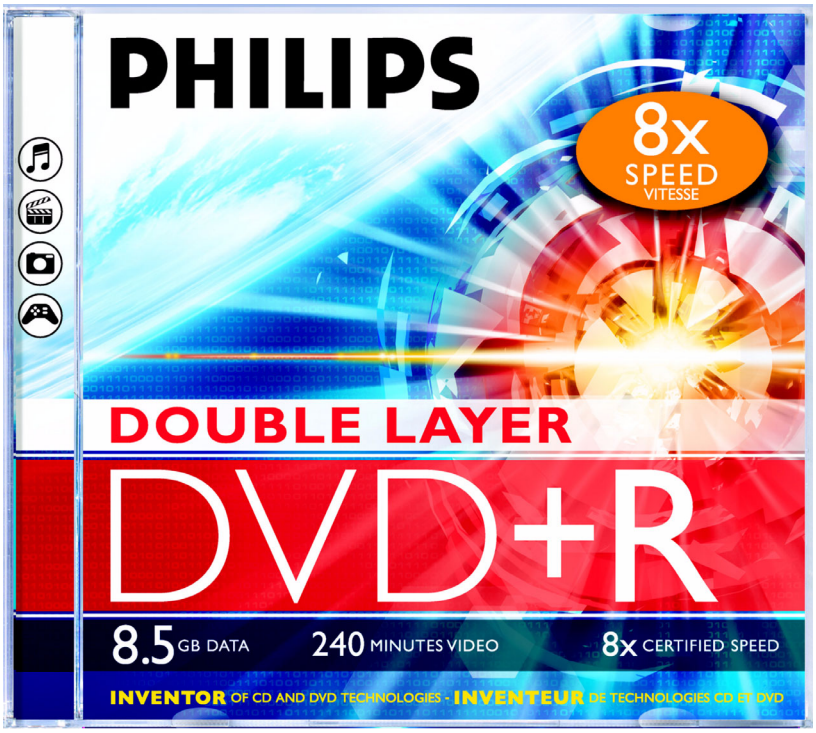
DR8S8J05C



Inventor of CD and DVD technologies

The DVD+R and DVD+RW markets are growing, and Philips is playing a leading role in meeting end users' requirements by being among the first to introduce innovative developments like for example high speed & high capacity discs.

High capacity recording
- Record up to 4 hours of superb DVD-quality content on 1 disc

Preserve your favourite memories on DVD
- Reliable qualified media ensures you data will be preserved

Ultimate Convenience
- No time consuming formatting and finalisation required
- watch your recordings on most existing DVD video players
- One disc for all applications bringing environments together

Perfect solution for data, PC music, photo & games
- Excellent solution for back ups or temporary file storage

Record at amazing speeds!
- You can burn a complete DVD in only 8 minutes

PHILIPS
sense and simplicity
